Dear Director General Smakiqij:

It was a pleasure to meet you during my recent trip to Kosovo. Thank you for welcoming us to the Kosovo Academy for Public Safety. I was pleased to view the ongoing cadet training and FATS simulation training. I applaud your efforts and recognize how much KAPS directly contributes to Kosovo's independence and stability. The State Department's Bureau of International Narcotics and Law Enforcement Affairs (INL) remains committed to its continued cooperation the Government of Kosovo as it seeks to identify where INL can best leverage U.S. resources to support Kosovo's institutions.

I look forward to exploring additional opportunities where INL can assist with your efforts, as we continue to work together to advance our mutual strategic interests in Kosovo.

Sincerely,
